

# PLANTING A SPRING GARDEN

## FILL IN THE BLANKS

\_\_\_\_\_ and I decided to \_\_\_\_\_ verb a new garden this spring. First, we had to  
gather \_\_\_\_\_ [name 1] [verb] bought seeds and a(n) \_\_\_\_\_ [noun].  
I went to the \_\_\_\_\_ [plural noun] [name 1] place and grabbed \_\_\_\_\_ [adjective] shovels and \_\_\_\_\_ [adjective] gloves.

I helped dig \_\_\_\_\_ [number] holes, one for each type of seed we had. We \_\_\_\_\_ [adverb] adverb  
placed a seed in each hole and \_\_\_\_\_ [past tense verb] it with \_\_\_\_\_ [noun].

I grabbed the \_\_\_\_\_ [noun] and \_\_\_\_\_ [adverb] watered the \_\_\_\_\_ [adjective] garden. " \_\_\_\_\_ [exclamation]!"  
said \_\_\_\_\_ [name 1] when I accidentally sprayed them with the hose.

With some \_\_\_\_\_ [noun] and \_\_\_\_\_ [noun], our beautiful garden was full of red \_\_\_\_\_ [plural noun].  
\_\_\_\_\_ [color] beans, and \_\_\_\_\_ [adjective] \_\_\_\_\_ [plural noun] (my favorite).
